

Says

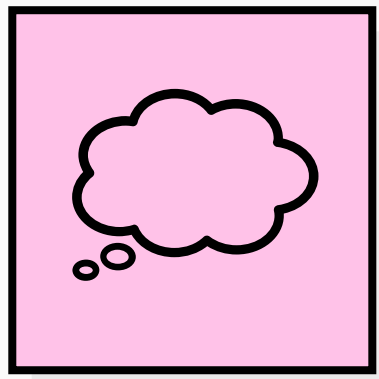

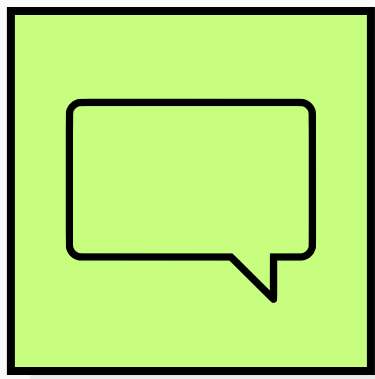

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes,
and dreams? What other thoughts
might influence their behavior?

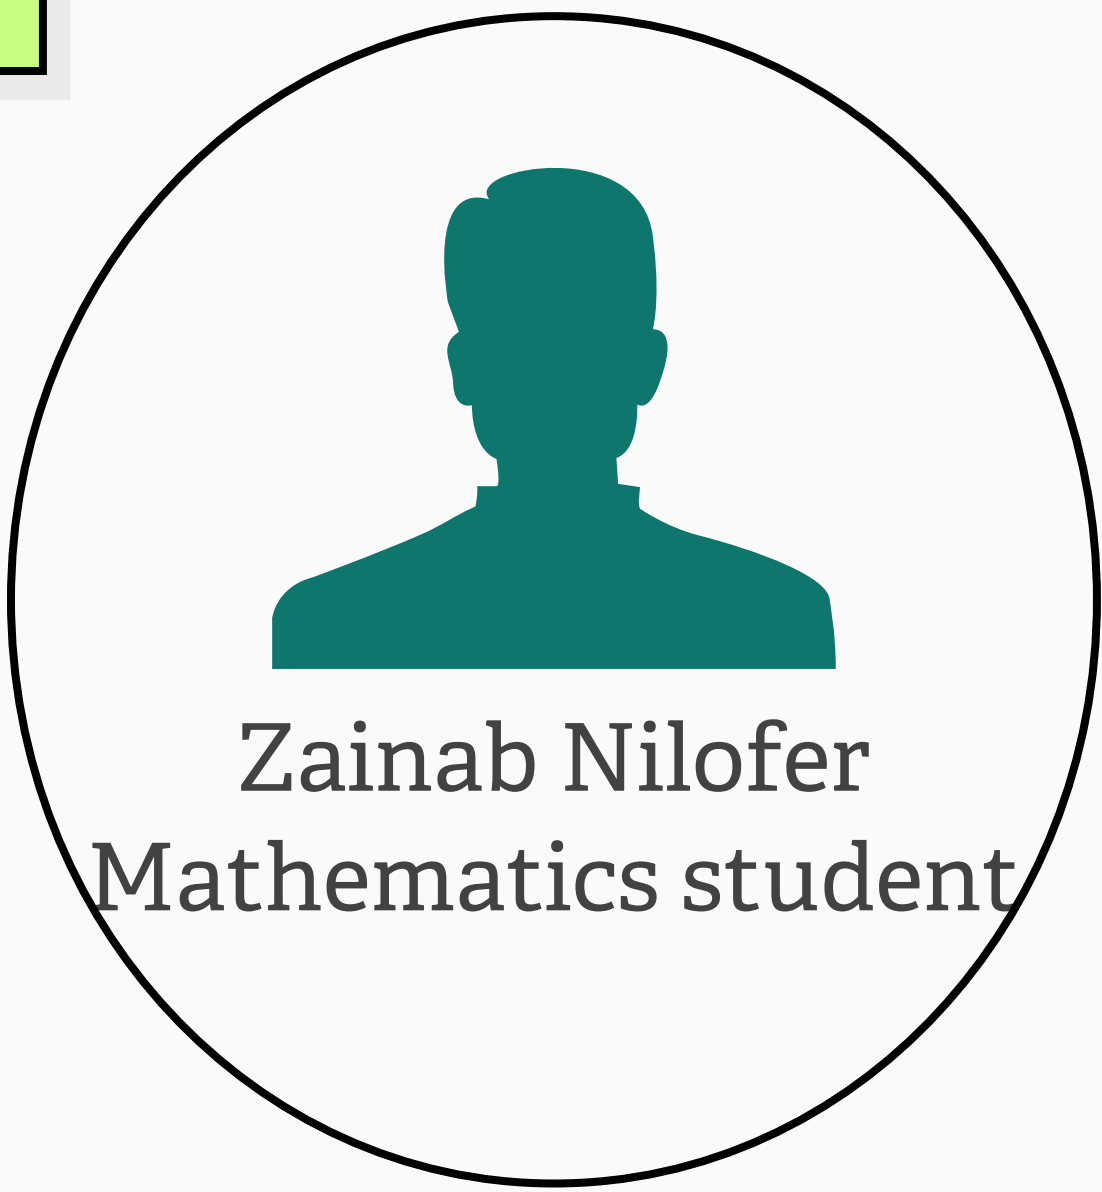

She says a lot
of good and
fun things
about
mathematics

Others imagine her
saying that
mathematics is a
difficult subject but it
is very much
contrary to her
thought

Her dream is
changing
peoples
mindset on
mathematics

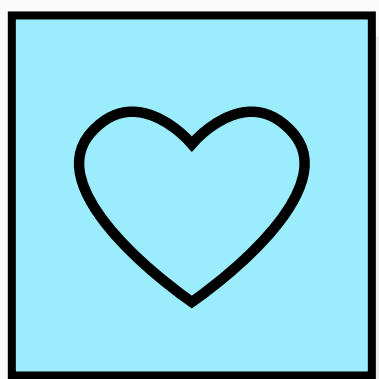

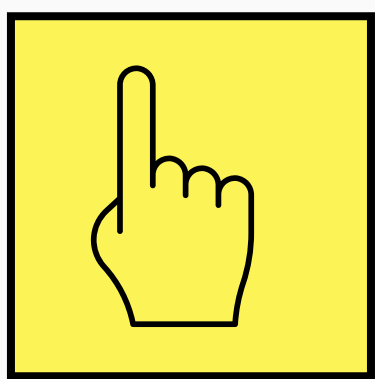

She want to
become a
good
mathematician

Zainab Nilofer
Mathematics student

Peoples
observe her
that she is
being practical
and logical

Other people may
think that she is
always serious with
mathematics but
she always enjoys
mathematics

Her fears,
frustrations
and anxieties
are all about
her career

She always
fears about
her career

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and
anxieties? What other feelings might
influence their behavior?
